

# ADVANCED LUBRICANTS FOR VOLVO COMMERCIAL VEHICLES

*Volvo are the second largest truck manufacturer in the world. With a history stretching back over 80 years, it is a company dedicated to safety, quality and the environment. And as one of the world's leading lubricant brands, we are committed to working with Volvo to produce the highest quality products that meet and often exceed their specifications, providing outstanding performance and protection for your Volvo commercial vehicle.*

*Volvo has developed its own specifications (e.g. VDS-4 for engine oils) and Texaco® products are approved against these key requirements. In addition, our products cover a full range of approvals for other manufacturers, meaning that we can meet the demands of other vehicles as well as your core Volvo fleet.*

## **OUR PRODUCTS SUITABLE FOR VOLVO INCLUDE:**

- Heavy duty engine oils from our Ursa® Ultra, Premium and Heavy Duty ranges
- Gear & Axle oils
- Transmission fluids
- Greases
- Coolants

*Please see overleaf for a full table of products*

**Ursa®**  
**Let's go further.™**

<b>COOLANTS</b>							
<b>Volvo Truck Diesel Engines</b>	Havoline Xtended Life Coolant <sup>^</sup>	High performance extended life engine coolant			■		■

<sup>^</sup> 'Chevron Recommended'. <sup>~</sup> Obsolete specification.

\* Performance – product is either (i) not currently formally approved or certified by the OEM or Industry Standard Organisation; (ii) self-certified; or (iii) was formally approved against an OEM specification which is now obsolete. However, in Chevron's opinion the product is recommended and suitable for use in applications where a product of this specification is required.
